C'mon!
Please, come in and sit down.

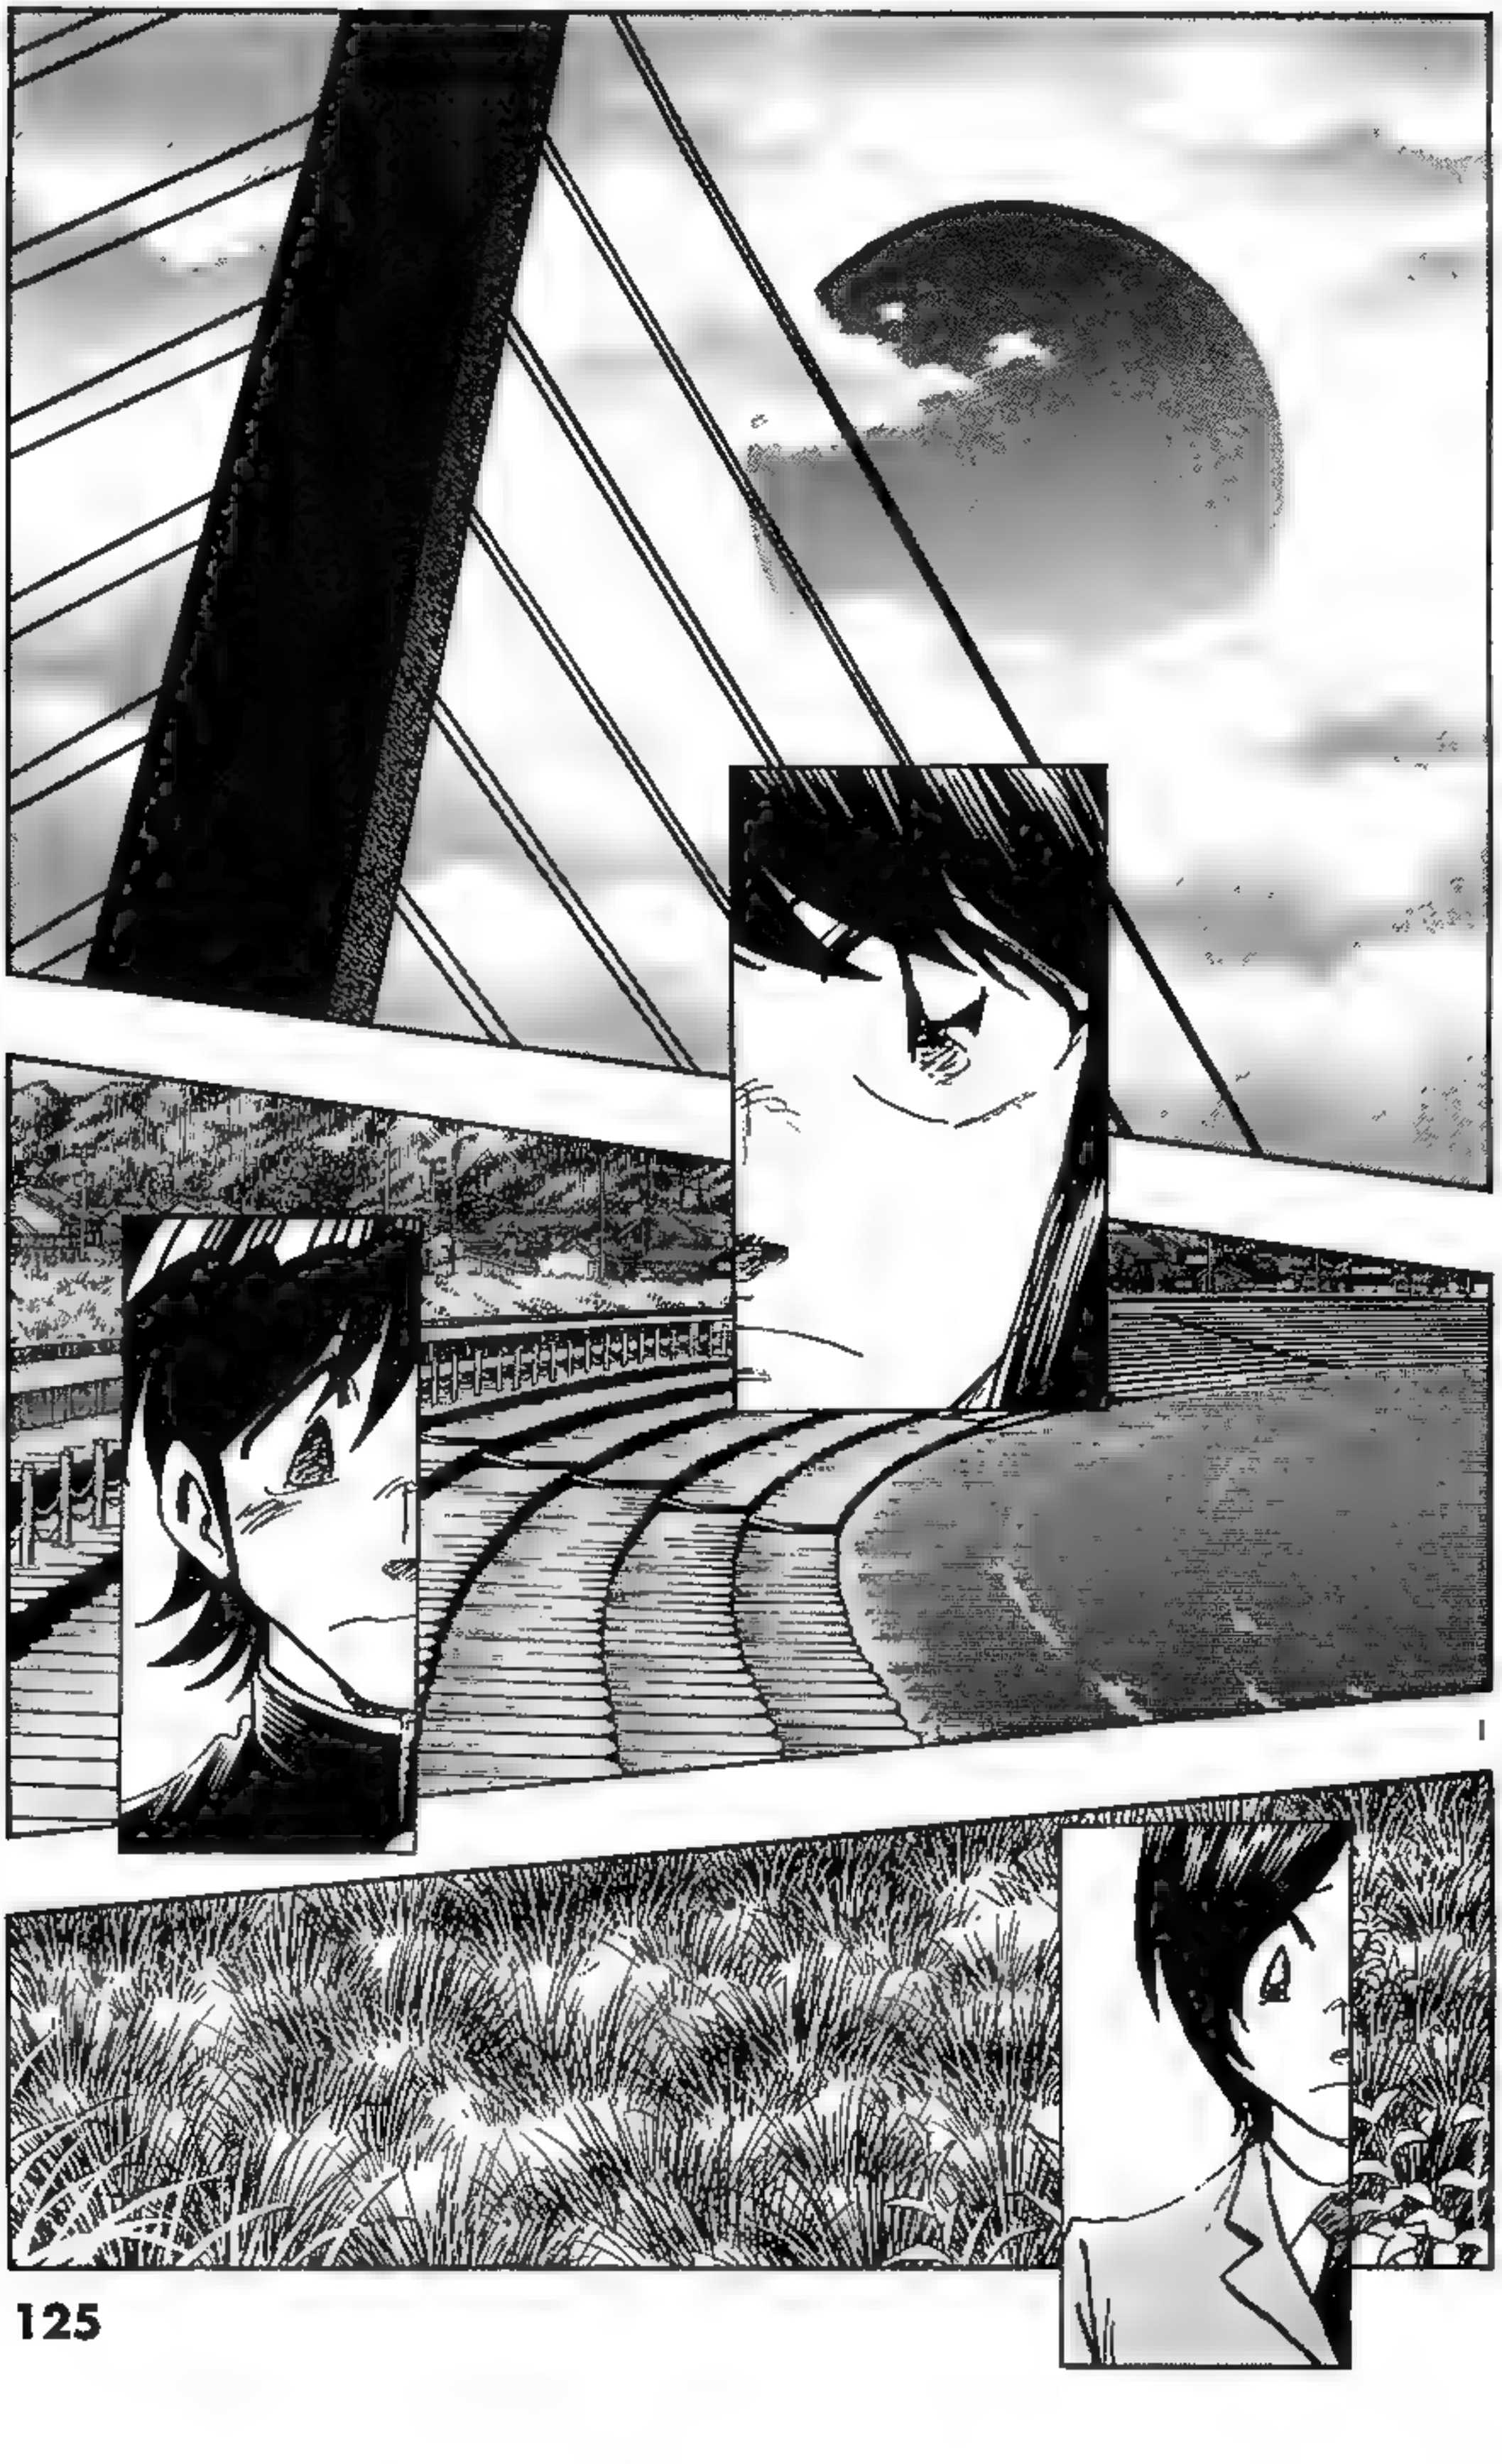
Chapter 56 Shaken and Shaken Again



Chapter 56 ◆ Shaken and Shaken Again

I want a proper explanation, Tsutsumi-kun...

Why you would...

just throw me aside to run to Ichinose.

4

Why are you so quiet?

Say something!

I want to hear it!

Because it looked like I was going to be as-saulted...

That night...

it looked like I was going to be assaulted ...

It was just by chance...

that he was there...

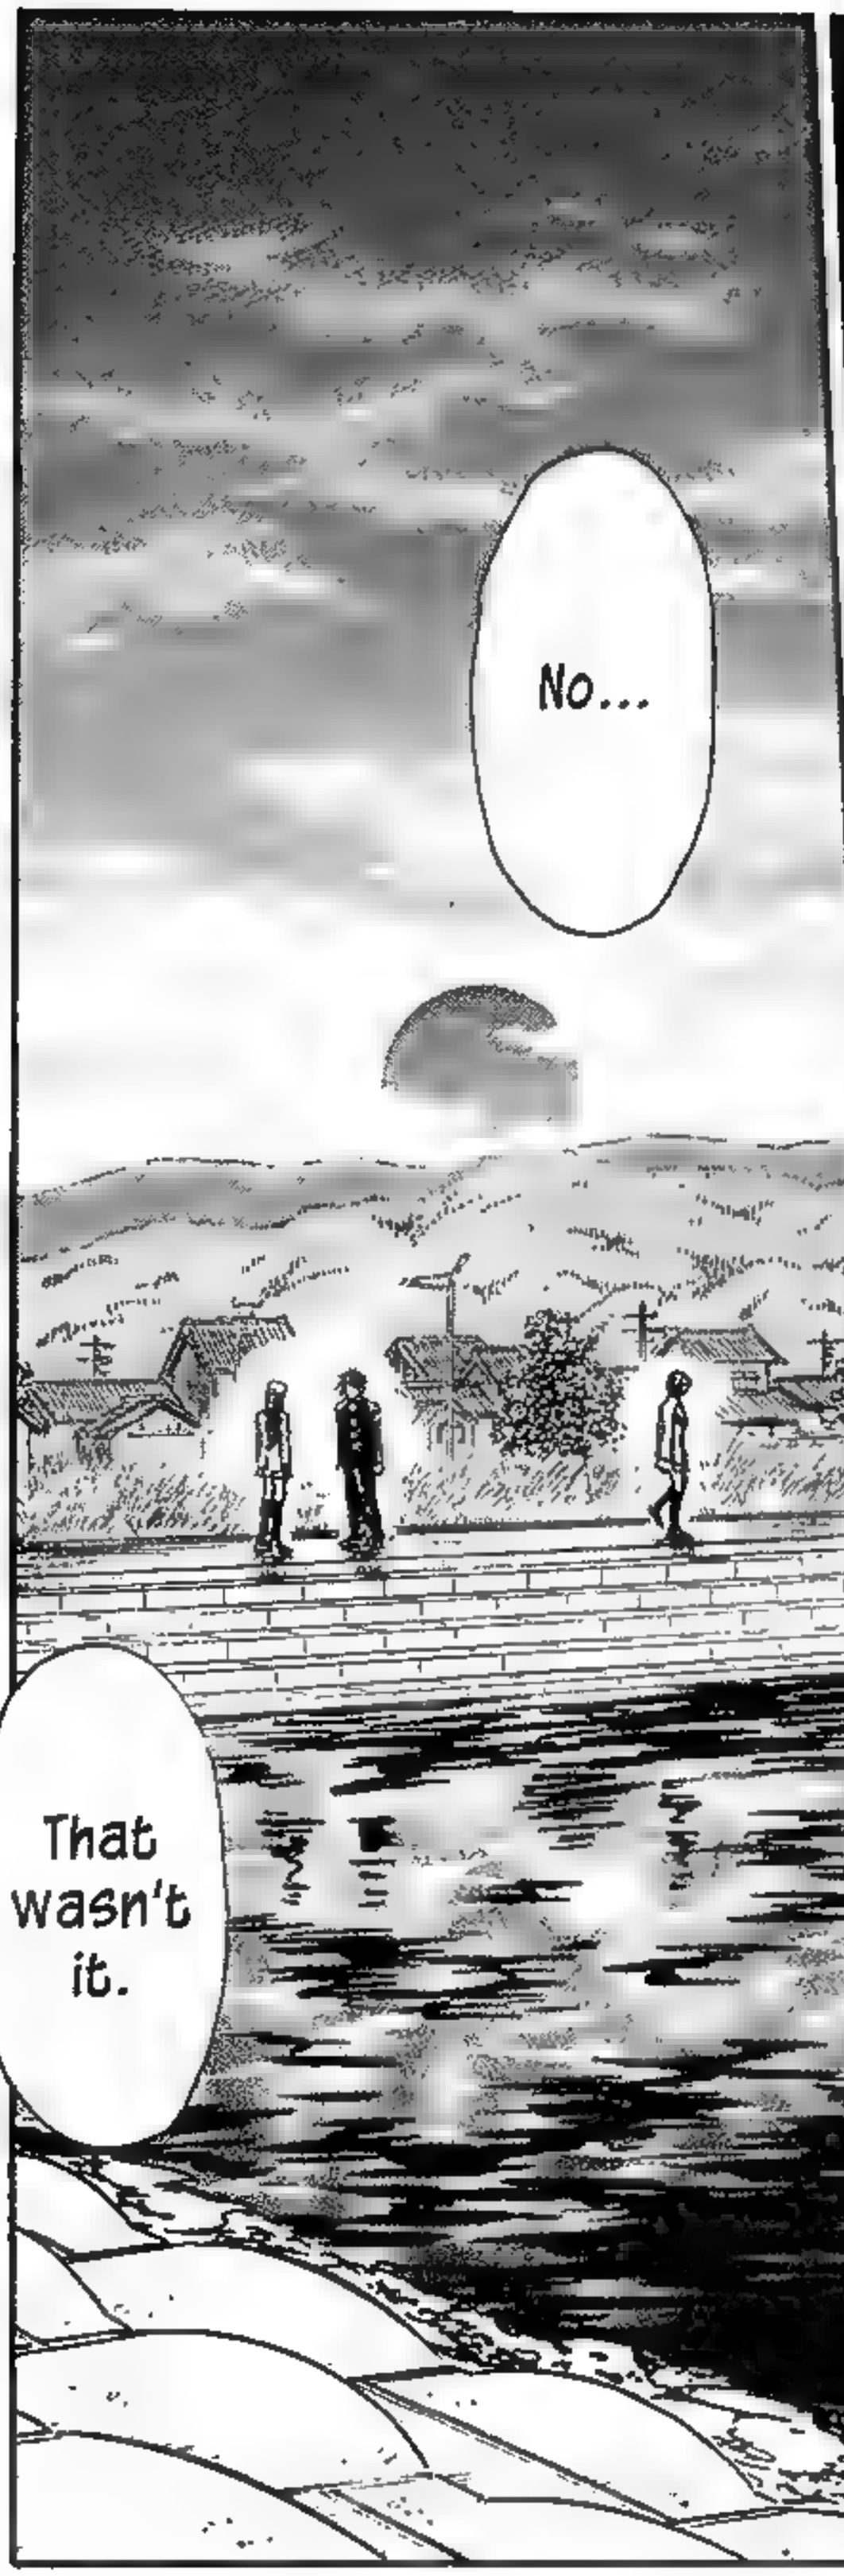
to help me...

That's it.

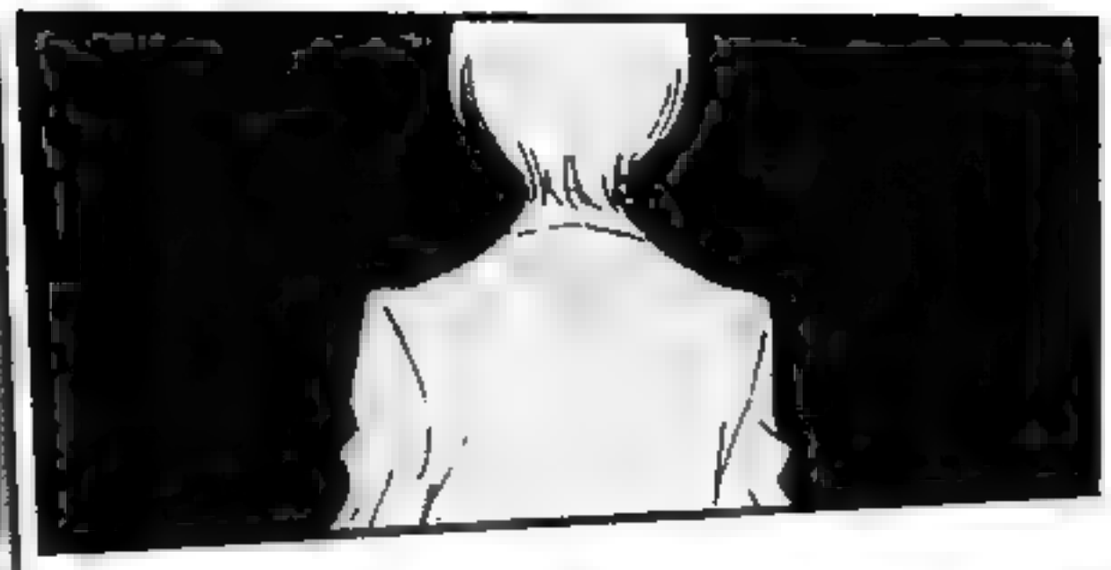
That was all I wanted to tell you.

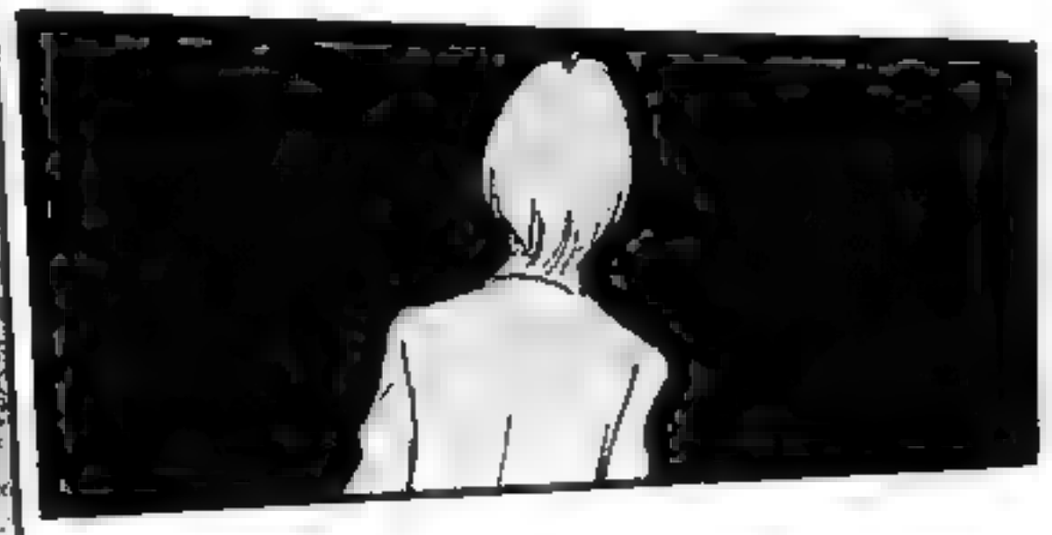
8

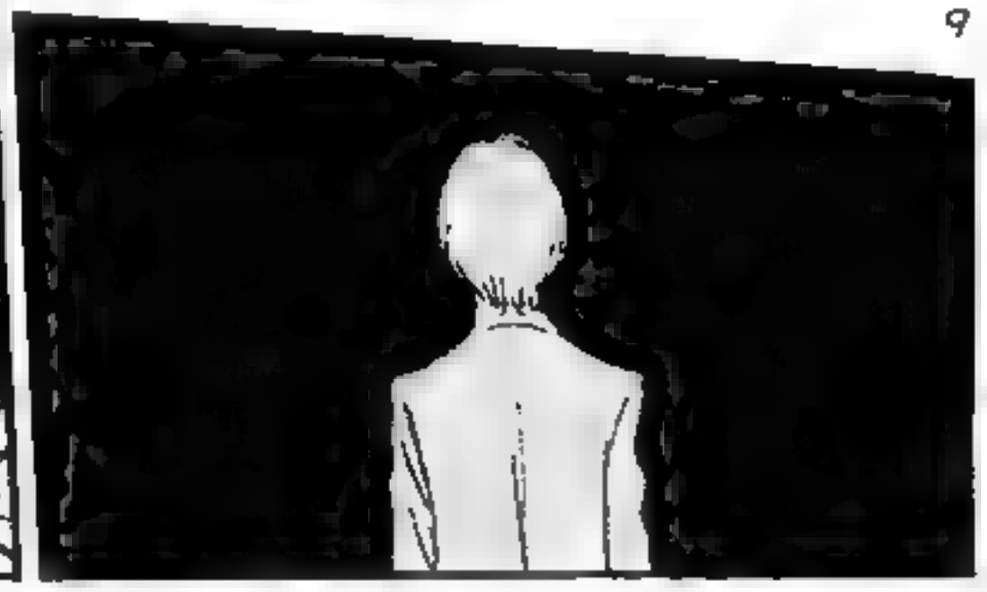
Bye.



No...
That wasn't it.







There was no coincidence about it.

I was...

searching for her.

I was worried about Ichinose...

so I was desperately trying to find her.

But Tsutsumi-kun...

What you're saying is...

I'm sorry, Kurita-san...

I should have been clearer with you sooner...

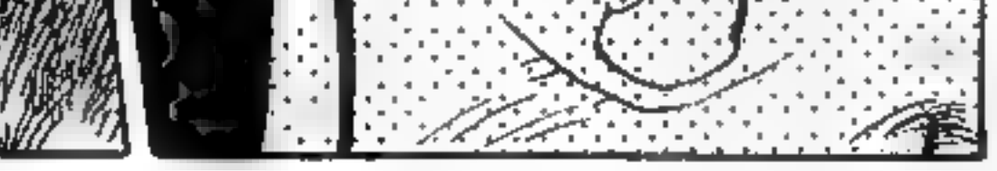
I...

I...

like Ichinose.

I don't understand...

W-what?



I'M SORRY...
KURITA-SAN...

SFX: SMACK

You're despi-cable!

SFX: WHAM

You're horrible!

How could you...

GRAB

And you Ichinose!
What about you!?

You told me!

You said that you had no feelings for Tsutsumi-kun!

He's nothing, right!?

I don't know...

I don't know any more...

Chapter 57 It Feels Like Love

You don't know?

What do you mean you don't know?

2

You're saying you don't know?

You can't do that...

That's not fair!

Your feelings for Tsutsumi-kun...

Your own feelings...

That's not fair, Ichinose-san!

You're...

You're being a coward!

It was my fault.

Please stop, Kurita-san...

Yes, it was.

It was your fault.

Were you lying to me the whole time we were together?

Did you intention-ally...

deceive me?

Did you intentionally deceive me?

WRING

It was selfish of me to say that...

But I can't be clear...

I'm sorry...

It's just...

it felt like things were going to become awkward again between us...

And I didn't want that to happen again.

Everything with Masaki-san...

Kurita-san running away...

We had a lot of things happen lately...

Through all this...

I watched you Tsutsumi-kun...

and before I knew it

suddenly...

It's just...

It's just...

What I can say for now is...

I didn't know anymore.

How I feel about you.

I'm happy about how you feel about me.

Thank you...

Okay.

I'm heading home.

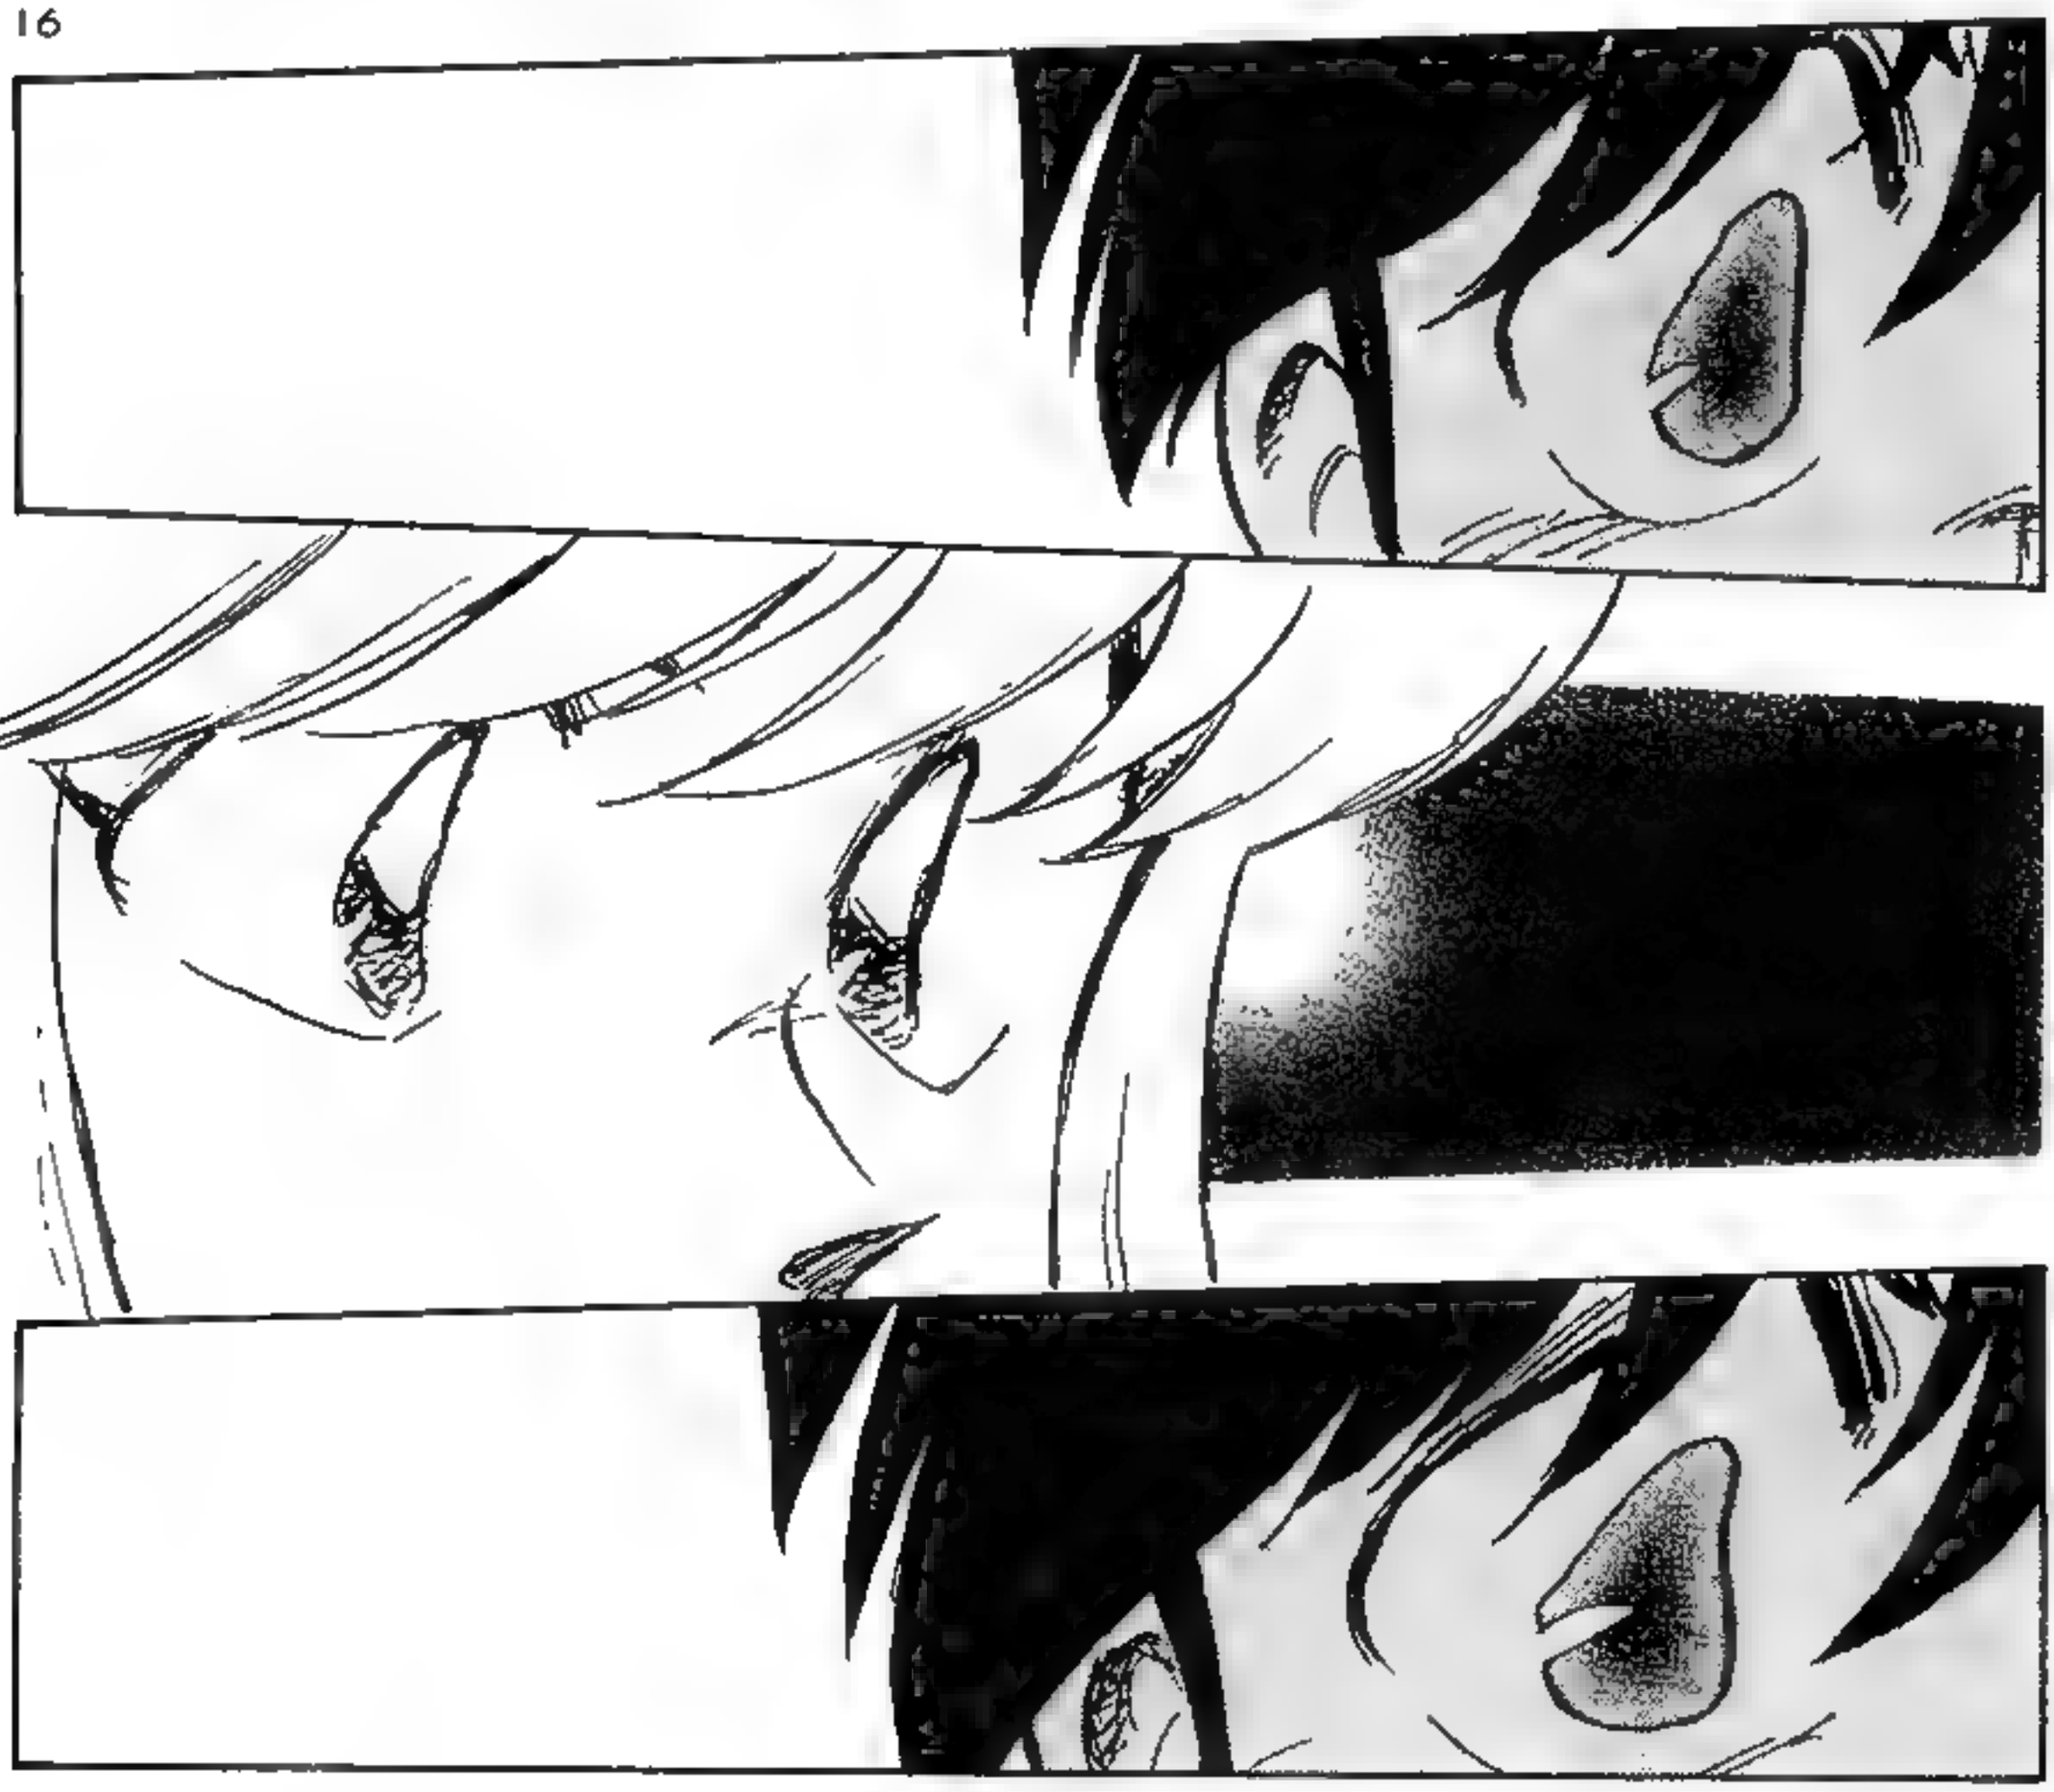
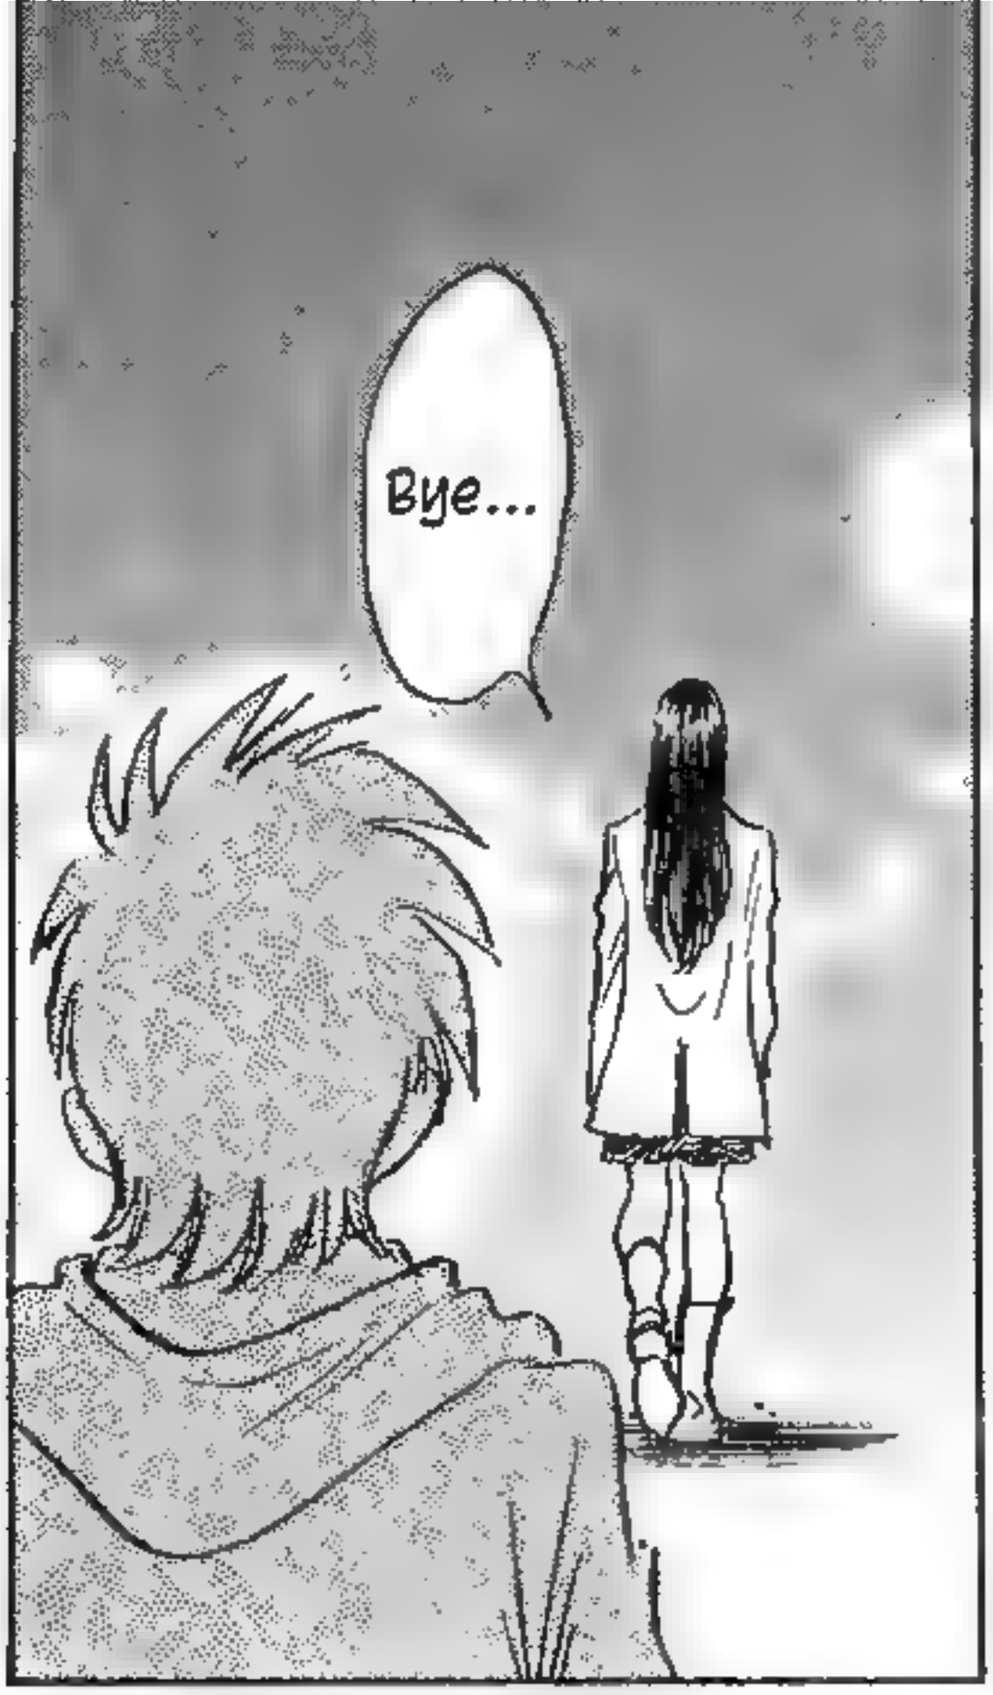
I thought I should tell you that much.

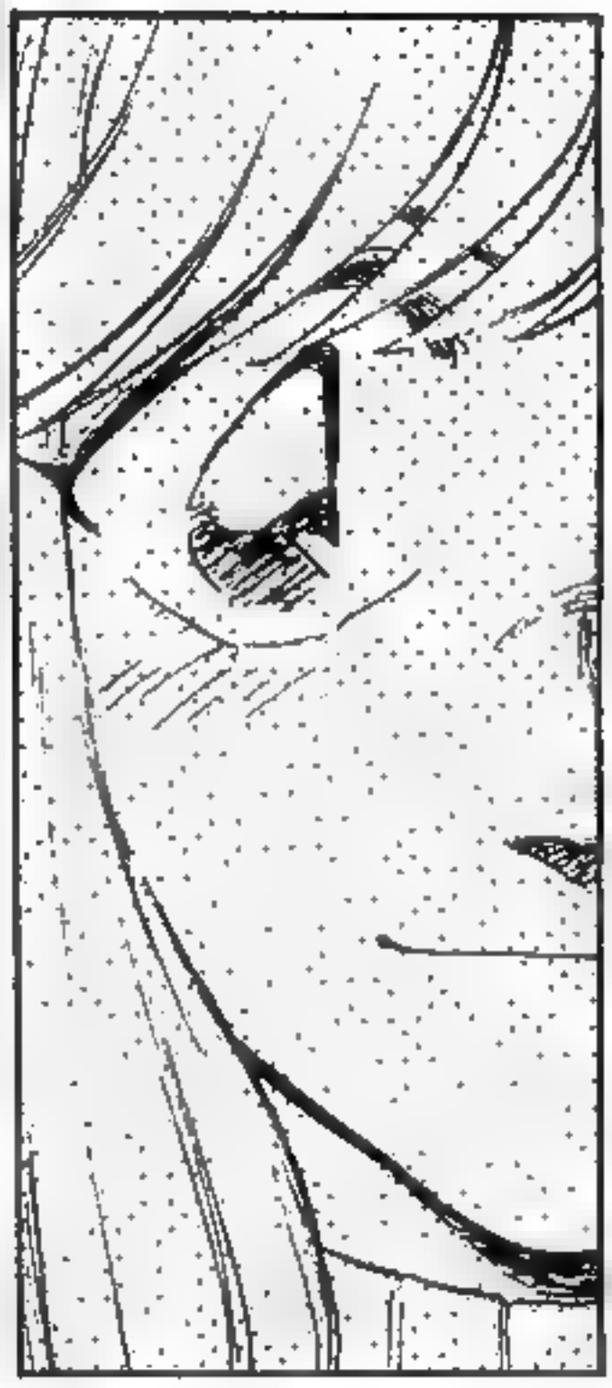
I can't leave things feeling gloomy like this between us.

16





Bye...



Aren't you going back to Tokyo in the spring?

We can't fix it by ourselves.

Whaaat?

Ozawa-sensei isn't around?

Yeah

He had to run off to do some-thing.

Hurry if you can!

Okay!

Do you think you two can borrow a toolbox from someone?

Um

Oh
Okay...
I some-times come here and Ozawa-sensei teaches me astronomy.

Tsutsumi-kun, what are you doing here?

Meh
Long story...

I ran into those girls...
